Dear Friends, Members and Ministry Partners of Global Care Mission (GloCaM),

Grace and peace to you in the name of our Lord Jesus Christ.

We thank God for His faithfulness and abundant blessings upon GloCaM throughout the first half of 2026. We are deeply grateful for your prayers, encouragement, and generosity, which have enabled us to parter with you and serving Christ and His people together. We would like to update you on what GloCaM has been up to in this first half of 2026 so far.

Medical Education Talks

We continue to partner with different local churches around New Zealand to provide Medical Health talks. In the months of May and June, we have been to ACMC and NSCMC. Later on this year, we will be heading to New Plymouth. These are wonderful opportunities for local churches to engage and connect their communities to their church, and ultimately to Christ.

Auckland Witness for Christ Conference

We are delighted to share that the Witness for Christ Conference, held on 20 June 2026 in Auckland, was a wonderful success. This conference was jointly organised by GloCaM in collaboration with Christian Medical Fellowship New Zealand (CMFnz) and the Nurses Christian Fellowship (NCF).

We praise God for bringing together 60 participants from different local churches around Aotearoa, both healthcare and non-healthcare professionals under one roof. Throughout the day, we were greatly encouraged, challenged and equipped to become more intentional witnesses for Jesus Christ wherever God has placed us.

The practical workshops, inspiring testimonies and biblical teaching through the Saline and Salt & Light Process Training Program reminded us that our workplace is one of God's mission fields, where we are called to faithfully reflect Christ through both our words and our actions.

We give all glory to God and sincerely thank everyone who served, spoke, volunteered, prayed and attended. Your partnership made this conference a meaningful and fruitful ministry.

Upcoming Short-Term Medical Mission (STMM) to Nepal

As we continue to answer God's call to serve beyond our borders, GloCaM is delighted to announce we will be sending a Short-Term Medical Mission Team of nine brothers and sister to Nepal from 23rd to 30th November 2026.

The team will partner with local ministries to provide medical and healthcare services, health education, community outreach, and most importantly, to demonstrate the love of Christ through compassionate service while supporting the local church's gospel ministry.

Jesus Loves You
 येशूले तपाईंलाई प्रेम

We humbly invite you to become our Mission Partners for the upcoming Nepal STMM:

1. Prayers

Please pray:

- * For unity, humility and Christ-like love within the team as we start our preparations.
- * For God's protection, wisdom and good health for every team member.
- * For open hearts among those we serve, that many may encounter the love and hope found in Jesus Christ.
- * For meaningful encouragement and strengthening of our local ministry partners in Nepal.
- * For God's provision for every financial and logistical need.

2. Financial Partnership

We are seeking financial support totalling \$6000 towards three key areas of the Nepal STMM:

- A. Medical supplies and medicines that will directly benefit communities we serve.
- B. Mission expenses for our non-working participant in the team, enabling student, and others without regular income to participate in this mission.
- C. Travel and ministry expenses for GloCaM's mentor pastor, whose pastoral leadership, teaching and spiritual care are invaluable in shepherding the mission team.

Every gift, regardless of size, will directly contribute to extending Christ's love through this upcoming STMM. We believe that those who cannot physically go can faithfully participate by praying, giving and standing alongside the team as mission partners.

Please continue to keep GloCaM and all our ministries in your prayers. We look forward to sharing more testimonies of God's faithfulness in the months ahead.

"And whatever you do, whether in word or deed, do it all in the name of the Lord Jesus, giving thanks to God the Father through Him."
